

## MarkWare™ Facility Identification Software

All Your Safety and Facility Needs in One Powerful Package.

Brady's sign and label making software, Markware™ is the simple solution for do-it-yourself sign-making. Now, you can save time, save costs and create custom safety signs for your facility using Brady MarkWare™ Facility Identification Software.

Built-in library with over 1000 high-quality, scalable symbols and pictograms

## Available software versions:

### MarkWare Standard features:

- Use your PC to quickly design professional looking signs and labels
- Print directly to a Brady labeling system or most Windows™ inkjet/laser printers
- Preformatted templates make sign and label creation quick and easy - or, customize layouts to your own specs
- Import logos and photos or create barcodes using 15 different symbologies
- Link label contents to information stored in spreadsheets and databases

### MarkWare Lean has all of the features of the standard version plus:

- New tools to support and sustain your lean transformation and lean concepts
- Achieve faster machine setups and changeovers.
- Simplify training of operators and other non-technical staff responsible for routine machine inspection and care.
- Enable more efficient route-based monitoring of numerous PM points in condition-based maintenance programs.

### Printer Compatibility:

- BMP®71 Label Printer
- BBP®31 Sign & Label Printer
- GlobalMark®2 Industrial Printer
- MiniMark™ Industrial Label Printer
- PowerMark® Sign & Label Maker
